**Manual abstract:**

*This unit complies with Class B computing device rules in accordance with the specifications in Sub-part J or Part 15 of the FCC Rules, which are designed to provide reasonable protection against such interference in a residential installation. There is no guarantee, however, that interference will not occur in a particular installation. If the unit does cause interference to any radio or television reception, try to reduce it by one or more of the following means: a) Reposition the other unit and/or its antennae b) Move this unit c) Move this unit and the other unit(s) further apart d) Plug this unit into a different AC outlet so that it is on a different circuit from the other equipment. This note is in accordance with Section 15.838 of the FCC Rules. SERVICE INSTRUCTIONS · · Disconnect power cord before servicing Replace critical components only with factory parts or recommended equivalents For AC line powered units - Before returning repaired unit to user, use an ohmmeter to measure from both AC plug blades to all exposed metallic parts. The resistance should be no more than 100,000ohms. · This unit does not exceed the Class B limits for radio noise emission from digital apparatus set out in the radio interference regulations of the Canadian Department of Communications. DOUBLE INSULATED - When servicing use only identical replacement parts For 220-volt use in USA, use NEMA style 220-volt plug. For other countries use proper plug for local outlet.*

*LINE VOLTAGE SELECTION 115V 1) The desired voltage may be set with the VOLTAGE SELECTOR switch on the rear panel of the main unit, using a screw driver. 2) Do not twist the VOLTAGE SELECTOR switch with excessive force as this may cause damage. 230V 3) If the VOLTAGE SELECTOR switch does not move smoothly contact a qualified serviceman. Please record the serial number of your unit as shown on the back of the chassis as well as the name of the dealer from whom you purchased the unit. Retain this information and your original purchase receipt for your records.*
